Ref: Response to Office Action dated 08/19/09 regarding Patent application 10/710,954: Broadband Extension to an EPABX.

Dear Sir,

This letter is in response to office action dated 08/19/09 on my above patent application, 10/710,954: Broadband Extension to an EPABX. I spoke to the examiner on the office action and understood what needed to be corrected.

Based on my conversation with the examiner, I have corrected the documentation (amended claims) that I had sent on 06/08/09 and also added a remarks page as requested by the examiner. I would like to thank the examiner in providing me the clarification.

I hope this answers your office action issues and comments. If not, please contact me at 623-236-8752 (H) or 480-254-1706 (Cell).

Thank you,

Sincerely,

  
(Ajif G. Hemmady)
